Re: Tallahassee Downtown MarketPlace, 14th season.

Greetings to our returning and new Downtown MarketPlace vendors:

The Tallahassee Downtown MarketPlace will open for our twelfth season when our white canopies once again line the walkways of Ponce de' Leon Park on March 1, 2008. We are looking forward to a great season continuing all the special events you'd expect and some new features to spice things up a notch.

The Tallahassee Downtown MarketPlace is a continuing event sponsored by the Tallahassee Downtown Improvement Authority with the support of the City of Tallahassee Florida.

We are so proud of your continued support and dedication to the success of the Downtown MarketPlace.

Enclosed you will find your application for the 2008 season.

This includes all dates March through November. We have worked hard to keep the vendor fees, & rules the same as last year. Please review the information to make sure that you understand the rules and that you comply.

All documents must be returned to our office before February 8, 2008 to be considered for acceptance. You must return all documents that have a signature line. Acceptance is contingent on quality of presentation, individual art work and space available.

Make copies for your files.

Excluded dates are the special events on:

- March 29: "Spring Fest" in conjunction with Spring-Time Tallahassee;
- April 21: "Art Lovers Saturday" in conjunction with the Lemoyne Chain of Parks Art Show;
- December 13, 2008: our very own "Just One More" Holiday invitational Art show.

These 3 events are invitational only and those applications will be sent separately.

Here's looking forward to a fun and prosperous new season at the Tallahassee Downtown MarketPlace.
