

Business Guide

To help you establish a business in Tallahassee.

Business Registration information:

A Business Registration Certificate (formerly called occupational license) is issued for the privilege of engaging in any business, occupation or profession. Anyone providing merchandise or services to the public, even through a one-person company or home-based occupation, must obtain an Business Registration Certificate.

Business Registration Certificates expire September 30 and may be renewed on or after August 1 of each year. On October 1, they are delinquent and subject to penalties each month there after. New certificates are issued at any time during the year and are prorated April 1.
